

Mental Health Services Oversight and Accountability Commission: A Model for Creating Accountability for Public Health Outcomes

Presented by:
Jennifer Clancy, Executive Director
June 23, 2006

Presentation Overview

- Review of MHSOAC FY 05-06 Accomplishments & Learning
- Emerging key oversight and accountability role of the MHSOAC
- One potential model for discussion purposes- Creating a Committee structure to fulfill key MHSOAC role

FY 05-06 Overview and Accomplishments

- MHSOAC Formation
- Hiring of Staff
- Identification of Role
- Committee Formation

FY 05-06 Overview and Accomplishments

● Committee Accomplishments

1. OAC intimately involved in DMH-CSS Three Year Plan Process
2. Read all plans
3. Attended review team mtgs with DMH
4. Wrote final comments; disseminated
5. Attended funding meetings
6. Analyzed trends; presented power point of these trends at May MHSOAC meeting
7. Power point being used for public information by CIMH and CMHDA
8. Strong, publicly driven, planning for Prevention In-Service in August, 2006
9. Policy position re: use of MHSA funds for law enforcement salaries, etc

FY 05-06 Overview and Accomplishments

- Progress in Developing Recommended Programmatic Guidelines for Prevention & Early Intervention as well as Innovation
- Passing of the MHSA funded Housing Initiative- \$75 million to build supportive housing
- Increased communication and coordination with DMH, CMHDA, and CMHPC

FY 05-06 Learning

- MHSOAC Role in Oversight and Accountability
 1. Needs to be clearly defined
 2. Needs to be distinct from other oversight bodies identified in MHSA
 3. Needs to be value added

FY 05-06 Learning

- Potential MHSOAC Oversight and Accountability Roles: Shape a vision of the MHSA as leading to public health outcomes for Californians with mental health vulnerabilities

FY 05-06 Learning

- An organizational model to achieve that role-4 Strategic Directions
 1. Create accountability mechanisms at the state and local levels for public health outcomes and elimination of disparities in outcomes
 2. Provide leadership to leverage all potential funding sources that can be used to achieve public health outcomes for Californians with mental health vulnerabilities

FY 05-06 Learning

- An organizational model to achieve that role-4 Strategic Directions
- 3. Shape a strategic plan for MHSA Prevention, Early Intervention, and Innovation funding that is integrated with other components of MHSA and leads to public health outcomes
- 4. Make mental health relevant to the public by communicating the successes of MHSA funding and its role in improving outcomes

FY 05-06 Learning

- **MHSOAC Committee Structure-
Organized around 4 primary strategies
to fulfill accountability role**
 1. Accountability Mechanisms for Public Health Outcomes and Elimination of Disparities
 2. Leveraging Resources
 3. Innovative and Preventive Services
 4. Public Education and Communication

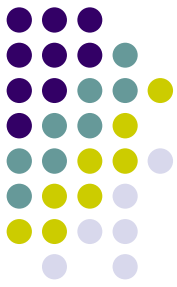

Planning for FY 06-07

- **Shaping potential charges of new MHSOAC Committees**
 1. Accountability Mechanisms for Public Health Outcomes and Elimination of Disparities (Jim Mayer, New California Network)
 2. Leveraging Resources (Toby Ewing, Little Hoover Commission & Rick Saletta, Former Placer County Program Chief, Systems of Care)
 3. Innovative and Preventive Services (Gwen Foster, CA Endowment)
 4. Public Education and Communication (Jim Mayer)

Planning for FY 06-07

- **Work Plan Recommendations and Timeline for Consideration and Discussion**
 1. **Feedback from current MHSOAC Committee Members**
 2. **Revisions to restructure model**
 3. **Formation of new MHSOAC Committees**

Discussion

- Summary
- Questions
- Discussion
